

March 27, 1941.

Dr. John L. Slack,
560 - 2nd Ave.,
Daytona Beach, Fla.

Dear Doctor:

We have just accepted Oscar Charleston's San Blas Indians for Sunday, April 13th. I will have the placards made and shipped to you with the information you send me in your letter. If there is anything additional you think should be put on them, let me know at once.

We will arrive in Camp April 5th as planned, there will be about 20 men.

Very truly yours,

AM:CCJ
